A Message from the Committee.

Welcome to the new season and good luck. Let's hope we all enjoy our table tennis.

You may have noticed that Martin Wyatt has continued to work on improving aspects of the Website. This will be ongoing as we seek to improve it for players to use. Our thanks go to Martin for finding time to do this work.

Please be aware that we have moved some dates for competitions around a little - see the section in the Handbook. We are also experimenting with a closed under 16 competition in December. If it is a success we may hold it every season.

Please remember that the **start time for matches played at HTTC and St Peters Burnley has changed to 7.00**, whilst remaining at 7.30 for other venues. This has changed due to the centres enforcing a stricter 10.00 end to the evening. Also a reminder that if you are playing a Junior team at KSB please arrive by 7.00 ready for a 7.15 start.

Rule20b, introduced for when teams are playing a KSB Junior team, will remain for another year, after which it will be reviewed again. There have been some minor modifications of how it will be applied this season.

We also want to commend the work that Chris Freely has been doing with his Sunday Training sessions and encourage people to take part. You can contact Chris for details on 07484314667 or access the latest information via the East Lancs TTL WhatsApp group.

Finally we would like to draw your attention to the ITTF push to educate players to serve legally. When the Committee discussed this issue we identified two areas of concern within our own league. The first was to do with throwing the ball up from the flat of the hand at least six inches, as straight up as possible. The other was masking or hiding the ball behind the arm, head or body as we make contact with the bat as we serve, so that the receiver cannot see the spin we impart. To help all players with this we will be printing the relevant service rules on the website along with some links to useful YouTube videos that illustrate how to serve within the rules. These might hopefully help us all serve better.

If you need any help over the season with any ELTTL issues please contact your Divisional Representative or any member of the Committee who will be glad to assist.

Every team has been allocated a number between 1-10, as is shown on the “**Teams, Venues and Secretaries**” page. Simply identify your number then look in the weekly columns to see who you are playing and if you are home or away. Left hand column is the Home and right hand column the Away Team. KSB Juniors play their matches at Home Only. Please can teams playing Monday at Kay St arrive at 19.00 for matches to start at 19.15. Matches at HTTC are now scheduled to start at 19.00.

Calculating Handicaps using player’s rank

In an attempt to produce handicaps from actual player performances rather than from what players think they should be, a ranking system was created which was linked to our handicap system, this has been in use over the past seasons. To set up the system each point on the handicap chart was deemed to be equal to 35 racking points. A handicap of 0 is equal to 2600 ranking points so a handicap of 70 will be equal to 150 points. A full list is shown below.

The results from every match played are used to constantly update players ranking values, so a player who is currently on a roll would be gaining more ranking points resulting in his handicap going down, the opposite would occur for a player going through a bad patch, his/her ranking total will drop and their handicap would go up. Handicaps are updated before the start of the divisional handicaps, before the start of the preliminary cup round, before the closed competitions and before every further cup round including the final. The Handicap Officer has the authority to review a player’s rank subject to Committee approval. The chart for awarding and deducting ranking points is shown below, this was copied from Table Tennis England.

How to play an individual handicap match (not Fred Holden Cup)

1. All games are played up to 21 points.
2. The difference of handicap of both players when checked in the handicap table (see below) will give the start.
E.g. Tony Blair on 19 plays David Cameron on 71. So $71 - 19 = 52$, a difference of 52 when checked on the chart at the top of this page gives a start of 16, so Tony Blair starts on 0, David Cameron starts on 16 in each game.
3. The player with the highest handicap has the choice to serve first.
4. At least one player **MUST** start from love (0).
5. The maximum start allowed for any player is 16 points.
6. For calculating handicaps for doubles matches, add together the handicap numbers for the doubles team and divide by two, round up to the next whole number. Do the same for the opposing team and use the table above to calculate the start; For example: Nick Clegg (0) and Gordon Brown (30) making up one team would have a handicap total of 30, divide by 2 = 15. If they played David Cameron (19) and Margaret Thatcher (56) with a total of 75, divided by

$2 = 37.5$, which rounds up to 38. This means that Clegg and Brown would give Cameron and Thatcher $38 - 15 = 23$, a difference of 23 gives a start of 11.

Handicap system for Fred Holden Cup 2026 - 2027

1. Each player's handicap rate as issued by the Handicap Officer prior to each round of the Cup is inserted onto the scorecard and the total of all three players is used as the team handicap which is their starting score.
2. Each match between individual players consists of 4 sets played up to 11. Remember 4 sets have to be played for each individual match. The score for each set is added to the team score and a cumulative total is kept.
3. Every single point in each set counts towards the team's total score so the more points won the better.
4. First player to reach 11 wins that set, no need for 2 clear points to win it.
5. After everyone has played each other the cumulative total for each team determines who has won the match. The highest cumulative team total wins the match.
6. As usual, amended handicap rates for each player will be issued before each round of the Fred Holden Cup.
7. You will notice that the Fred Holden handicap rates for the players are exactly double the standard handicap rate.

Example (based on 2012/2013 teams) of how to fill in the handicap scorecards for the Fred Holden Cup handicap matches:-

You will notice in this example that KSB F just win this match by 3 points.

SCHEDULE OF ELTTL COMPETITIONS FOR 2026-7 SEASON.

Please find below the proposed schedule for individual competitions for the upcoming season to be played at the HTTC. Be aware that we may need to alter these as the season progresses.

Please be aware that we are experimenting with an Under 16 Competition to be played on Monday 14th December. This is for younger players who play in the ELTTL.

The Committee has decided to continue with vouchers for another season at a rate of £70 for winners and £30 for runners-up as it has proven to be very popular.

Please note that these are CLOSED COMPETITIONS and individuals who don't play in the ELTTL are not eligible to enter.

Please be aware of Rule 32 relating to individual competitions. To play in the Vets & Divisional Handicap players must have played in at least two league or cup matches. For the Big Day this increases to 3 matches.

The Fred Holden Team Handicap Trophy is arranged independently of these competitions that are for individual players.

- **The Veterans Competitions**

These two handicap competitions will take place in the week beginning 14th December. On Tuesday 15th the Younger Vets (Over 40 but under 60) will take place, followed on Wednesday 16th by the Older Vets (Over 60). These will be played initially in a Round Robin format with winners progressing to a knockout stage.

- **The Divisional Handicap Competitions**

These will take place in the week beginning 1st February. On Monday 1st February the Premier & First Division Handicap Competition will take place and on Tuesday 2nd the Second & Third Division Competition. Each competition will be open to players in those divisions who are registered for a team in that division and have played at least two league matches. These are competitions based on handicaps derived from ranking points and will take the format of best of three games first to 21 points. A round robin stage will be followed by knockout rounds.

- **The ELTTL Closed Competition Day (The Big Day)**

*This full day event will take place on **Sunday 21st February**. The Committee will decide nearer the date which mix of formats will be played for alongside the Open Singles. Please note this later date than in previous years. This is for players who have played at least three games in the League.*

- **The Under 16 Closed Competition**

This new event is designed for younger ELTTL players who are Under 16 on the 31st August 2026. It will take place at HTTC on Monday 14th December. To enter players must be registered for an ELTTL team.

- **The Hard Bat Competition**

This fun event will be scheduled to take place at the end of the season. The date will be announced sometime early in 2027. This will be a round-robin event followed by knockout rounds. All players will use the League's hard bats.

If you have any questions about these competitions please contact Mike Turner or Ian Pickles.
